MEETINGS AND EVENTS SPACE

WWW.BETTESHANGER-PARK.CO.UK

Welcome to Betteshanger Country Park, where we can offer modern inspiring spaces within 250 acres of Kentish Grounds.

Our offering includes everything from a space for your morning meeting through to your annual Summer event to your team away day. With our in house catering and events team on hand to help you plan every aspect of your day, we can work with you to piece together the perfect offering.

We host two venues; The Glass Room and The Lamp Room, offering different facilities and opportunities.

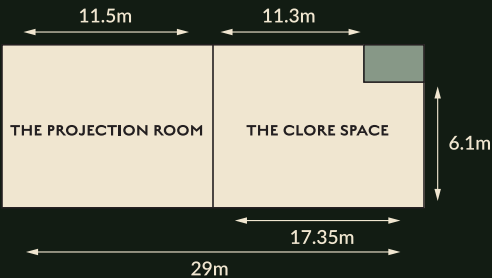

The perfect venue for Meetings and Conferences.

The room offers a built in projector screen, microphone system and separate facilities to the other parts of the park, all to help the ease of your event. This room can be used for any occasion, from large parties and awards nights through to team training.

The Glass Room can be one large events space or made into two sections, The Projection Room and The Clore Space. Here is an overview of the size of each space;

LAYOUT	CAPACITY
Banqueting	50 Seated
Standing	100

Our restaurant by day, this venue offers a styled setting which suits an intimate, casual affair such as a networking or team celebration. The room boasts references to our sites colliery history and gives a feel of warmth and independence. Catering across both venues is flexible, with canapes, buffets, BBQs and three course meals available.
