

BATTLEZONE ARCHERY

Battlezone Archery is a team-based game played with lightweight bows and specially designed foam-tipped arrows. It is guaranteed to be fast, fun and exciting.

Players divide into two teams and battle it out in our bespoke woodland arena. A full safety briefing and rules of the arena will be done prior to the session beginning.

Once the basics are covered, we will move onto some conventional game modes; Team Deathmatch, Capture the Unicorn, King of the Hill and Battlezone Battle Royale!

All bows, arrows and safety equipment are provided.

Players will be tested in communication skills, working as a team and good sportsmanship.

SUITABLE FOR AGE 10+
